

Claire De Bie - Principal Consultant, MEGA International

- Set Strategic Direction
- Leverage on what you have
- Define Transformation Roadmap

Transform your Business with a 360 approach

Define Strategic Direction

- Strong leadership
- Clear and communicated vision
- Goals and objectives driving innovation
- Solid line of transformation

Leverage on what you have

- Use global and local information
- Assess your enterprise landscape in different dimensions
- Have one view of a variety of indicators from different tools
- Work Collaboratively

Define Transformation Roadmap

- Create a culture of innovation
- Turn ideas into projects
- Document, assess and prioritize candidate projects
- Align strategic direction and projects
